# FROM THE HEADMISTRESS DESK

Keeping in mind that to teach is to touch a life forever, we believe in holistic education that encompasses academics, co-curricular activities, sports education and life-skills learning. The campus, sports and academic facilities all bear testimony to this belief.

As the proud headmistress of this institution, I am thrilled to share the strides we have made in aligning with the visionary National Education Policy of 2020. This magazine not only serves as a testament to the dedicated work of our students and teachers but also highlights the innovative and inclusive educational environment we have cultivated. Our commitment to fostering an equitable, joyful, and engaging learning experience is evident in every page.

# Swacchta Abhiyan

The Swachh Bharat Abhiyan is the most significant cleanliness campaign by the Government of India. Shri Narendra Modi led a cleanliness pledge at India Gate. He also flagged off a walkathon at Rajpath and surprised people by joining in not just for a token few steps, but marching with the participants for a long way.

Our Madam headmistress along with staff members and students took pledge to keep our school surroundings clean and green.
